---

This study is being conducted by John Carey, Gretchen Helmke, Brendan Nyhan, and Susan Stokes, who are professors at Dartmouth College (Carey and Nyhan), the University of Rochester (Helmke), and Yale University (Stokes). We ask for your attention for a few minutes and we thank you for your attention and your responses. Your participation is voluntary and you may decline the survey or withdraw at any time. No information that identifies you will be collected or retained by the researchers. However, any online interaction carries some risk of being accessed.

Now we would like to ask you about your views on politics. On the next several screens you will see questions about the executive (president), legislature (Congress), and judiciary (courts), as well as about the news media and the political actions of individual citizens. The questions will ask you to evaluate how well certain principles or values of democratic government are being upheld in practice in the United States.
